Alexander D. Lamm

Alexander D. Lamm is a Vice President with SSG Capital Advisors and has more than a decade of transaction experience. Alex is a trusted advisor to public and private companies, equity sponsors, and lenders as they navigate highly complex special situations scenarios. Drawing on extensive transactional exposure across industry verticals, Alex develops high-value, creative solutions that maximize outcomes for SSG clients.

At SSG, Alex advises on a broad range of special situations transactions, including mergers and acquisitions, divestitures, restructurings, recapitalizations, private placements, and debt and equity financings. He has significant experience effectuating transactions in distressed and complex situations, including Section 363 bankruptcy, Article 9, receiverships, and lender-led processes. Alex works closely with clients, counterparties, and SSG's senior bankers throughout all phases of an engagement. He is responsible for leading transaction execution, conducting financial analysis, developing valuation and financial models, performing market and buyer research, and devising capital structure strategies that align with the unique needs of each client. As part of the SSG team, Alex has advised on over 70 transactions. He also manages and mentors our analyst team and junior professionals.

Prior to joining SSG, Alex was an Analyst for Patriot Financial Partners, a community bank and financial services-focused private equity firm. He supported Patriot's investment team by building financial models, completing due diligence for new investments, and monitoring portfolio companies. Previously, Alex worked as an Analyst at Artemis Holdings Group and Corporate Advisory Solutions.

Alex is a member of the American Bankruptcy Institute and serves on the Board of Directors of the Philadelphia/Wilmington Chapter of the Turnaround Management Association. He received the Global M&A Network's Americas Rising Star Dealmakers Award in 2023 and the M&A Advisor's 12th Annual Emerging Leaders Award in 2021.
